Introduction of the
BUYER'S PREMIUM
and
V.A.T. EXCLUSIVE SALES

Circumstances have now compelled Glendining & Co., to reluctantly introduce a Buyer's Premium on all of their Coin and Medal Sales. Therefore, with effect from, and including, the Sale to be held on Monday, 15th October, 1984, ALL Lots will be subject to the BUYER'S PREMIUM of 10% of the Hammer Price. The Buyer's Premium is NOT negotiable and is subject to V.A.T. by ALL Buyers.

Consequent on the introduction of the Buyer's Premium Glendining & Co., will, at the same time, be compelled to change their method of selling from a V.A.T. INCLUSIVE basis to a V.A.T. EXCLUSIVE basis. Therefore, those Lots which are subject to V.A.T. on the Hammer Price will be indicated by a dagger (†) after the Lot number. This V.A.T. is REFUNDABLE when we are instructed to Export or when proof of export is produced by an Overseas Buyer. In their own interest Overseas Buyers should instruct Glendining & Co., *before the Sale* as to whether or not we are to consign their purchases.

At present the Standard Rate for V.A.T. is 15%.

The circumstances under which Lots attract V.A.T. on the Hammer Price by the Buyer are as follows:

(a) on non-eligible articles less than 100 years old which have been imported or entered for Sale by a Registered Trader,
(b) on eligible articles over 100 years old which have been entered for Sale by a Registered Person who is NOT operating the Special Scheme for Antiques.

Prospective Vendors should note that the introduction of a Buyer's Premium now allows for a greater margin for negotiation on the Commission Rate for Collections of high value when submitted for Sale direct to Glendining & Co.

SALE CATALOGUES

On the average we issue twelve or more Coin Catalogues and three Naval & Military Medal Catalogues each year, some of which are usually of Sales of important Collections.

CATALOGUE SUBSCRIPTIONS

Sale Catalogues, frequently illustrated, are normally posted to Subscribers about three weeks prior to the date of Sale.

Lists of "Prices Bid" are issued after each Sale, thus giving at a glance a reliable guide to value. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading. The Lists of "Prices Bid" will probably be enclosed in a following Sale Catalogue.

AIR MAIL POSTAGE

To allow subscribers resident outside Europe time to submit Postal Bids, Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and the cost must be borne by the Subscriber. In such cases a deposit against the cost is required.
